ARCA Championship - 2008

ARCA - NASCC Alberta Championship Points Allocation
Attendance
5 points for attending the race weekend
Bonus Points
3 points for 1st place, 2 points for 2nd place and 1 point for 3rd place
Finishing Points
Points will be based on the number of cars in the class. eg. 10 cars - 1st place receives 10 points, 2nd receives 9 points, 10th place receives 1 point.
Equal Number of Races Per Group Per Weekend
Should there be a different number of races per group on any given weekend, the difference will not be counted towards the ARCA Championship. Only the same number of best finishes will count so that one group does not get an unfair advantage.
Extra Points
Competitors are encouraged to spend time in the following areas during a Closed Wheel on track session: Race Control, Timing & Scoring and a Race Corner. For any Closed Wheel competitor who participates in this program you will be given 5 points in the ARCA Championship towards the session that you do not participate in. This does not mean that if you break down during a Closed Wheel and spend time on the corner you get 5 points, you must be out there without your car. It is the competitor's responsibility to advise Sue Wilson that they are eligible for these points by doing so in writing and having the senior official for the area verifying same. Coding is (RC) Race Control, (T&S) Timing & Lap Scoring, (T) Tech and (MAR) Marshal Station
Year End Trophies
Only the top three finishers will receive a trophy. These trophies will be awarded at the WCMA Awards Banquet.
